WHAT'S ON

## INGS FUNDRAISER FOR UKRAINE

The concert presented by male voice choir *Fellas* in St Anne's Church on Sunday March 6th delighted a packed audience. Both the choir and Church donated all the proceeds to the Disasters Emergency Fund for Ukraine - a sum of £850. Thanks to all who attended and contributed.

## TONY PRIESTLEY

Tony, who passed away in February this year, was tireless in his work for the village. Moving to Ings in 2000, it didn't take long for Tony with wife Lindy to take over the running of the Village Hall. Tony succeeded Dorothy Buckley as Treasurer, a role he then combined with Chairman and Booking Clerk for the next 20 years, carrying out the duties punctiliously with his individual Yorkshire charm. With Lindy, he was passionate about improving the Hall, for example the porch extension. That the Hall is in such demand as a place where folk can meet and enjoy themselves is a fine testament to all his work on behalf of the village. He was also Ings' Gazette correspondent and a member of Staveley with Ings Parish Council. Last year his efforts were recognised when he became the first recipient of the Council's new Community Award. Thanks Tony. R.I.P.

## THE FUTURE OF ST ANNE'S

Tony's funeral with over a hundred attendees and the fundraising concert for Ukraine are a cameo of St Anne's role in our village. Whether we are church-goers or not, we would miss it if it were not available for any of the services and activities there. Facts are, if we want it there for hatch, match and despatch, we need income - gifted or earned. Two main questions follow. What would you like St Anne's to do for you? What could you do for St. Anne's? We would welcome your comments, ideas, etc.

## STAVELEY WITH INGS PARISH COUNCIL - LATEST NEWS

High on the priority of the councils business relating to Ings is the decision on High Knott Barn, Ings. There was an application to make an amendment to the local occupancy condition to correspond with draft Housing Supplementary Planning. There was a lengthy decision on this application that was inconclusive, so please email the Clerk for a copy. For other applications please see the minutes posted on the Parish Council notice board.

Parish council allotments are available in Staveley. The Parish Council owns two areas, one at Fell Foot and the other in Staveley village. If you are interested again contact the Clerk.

The New Abbey development is still ongoing. We have a great model which would include independent living apartments, alongside a care hub to support people if required in their own homes.

The Council is waiting for a consultation on highways improvements from County Council this spring. Proposals include parking restrictions in Staveley and 20 mph limits in Staveley and Ings. The request for a council dustbin at the bus stop in Ings is being processed and should be approved any time.

Cllr. Paul Riley
